Publisher's Correction to: Affective Science

<https://doi.org/10.1007/s42761-021-00084-4>

Hyperlinks to article sections are printed incorrectly—the underlying “section number” is shown instead of the appropriate display text. For example, references to “the supplemental materials” appear as to “the 33”.

Article sections are also hyperlinked inconsistently.

This erratum is presented to fix these errors, which were not introduced by the authors.

The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s42761-021-00084-4>
